

Accessories - Mounting aids

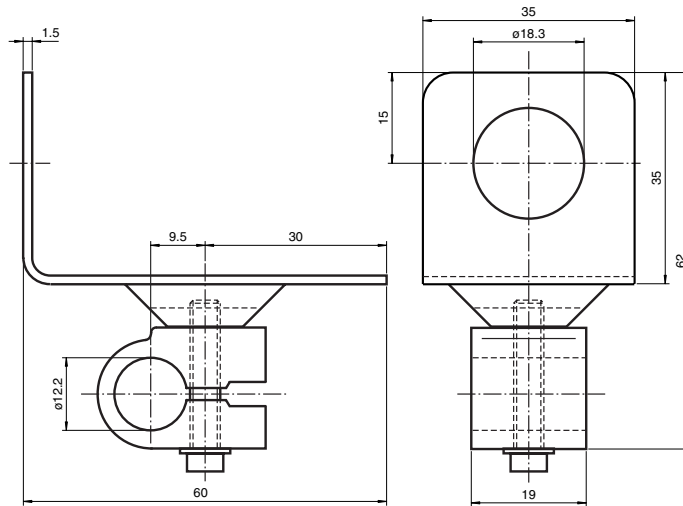

Mounting accessory OMH 04

Universal mounting for all cylindrical
 $\varnothing 18$ mm sensors

Material

Angle: sheet steel,
 galvanised
 Locking disc: sheet steel,
 galvanised
 Locking profile: aluminium, diecast

For installation on $\varnothing 12$ mm round rod or sheet material
 (thickness 1.5 mm ... 3 mm). Suitable for -18GM series sensors.

Mounting flange BF18

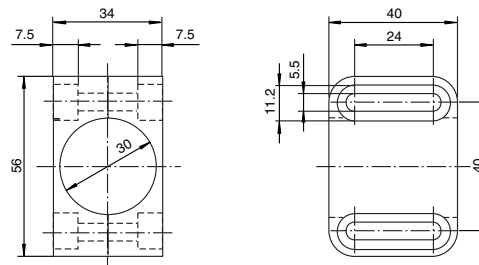

Mounting flange BF30

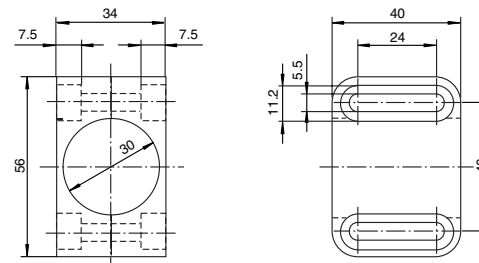

Universal mounting for all cylindrical
 sensors with $\varnothing 18/\varnothing 30$ mm.

Material: PBT

BF18

BF30

Mounting accessory M-105

Universal mounting for cylindrical sen-
 sors with $\varnothing 30$ mm for sensors with front-
 end thread (UB/UC300, -500 and -2000.

- **Secure mounting**
- **Easy installation**
- **Robust design**
- **Chemical-resistant**

Material: PTFE

(Delivery of mounting assecories does
 not include sensor))
