

**Model Number****V45-GP-10M-PUR-ABG-V45-G**

Connecting cable, RJ-45 to RJ-45, PUR cable

Features

- Industrial-strength push pull EtherNet connector for field installations
- Hard-wearing PUR cable
- Cat 5 cable

Dimensions**Technical data****General specifications**

Connection 1	Connector, male
Construction type 1	straight
Connection 2	Connector, male
Construction type 2	straight

Ambient conditions

Ambient temperature	-40 ... 70 °C (233 ... 343 K) , stationary -5 ... 50 °C (268 ... 323 K) , moving
---------------------	---

Mechanical specifications

Protection degree	Device end: IP67 Switch cabinet end: IP20
Connection	Ethernet: RJ-45 , Category 5 , up to 100 MHz
Material	
Cable	PUR
Core isolation	PE
Cable	fine-strand, flexible
Sheath diameter	6.5 mm
Bend radius	7.5 x cable diameter, constant bend 5 x cable diameter, single bend
Colour	green
Shield	Tinned copper braiding
Length	L 10 m
Flammability	
Wire	Flame-retardant as per IEC 60332-1
